

VISITOR POLICY

Updated 3/30/2020

Due to COVID-19 precautions, we have implemented a **No Visitation, No Access Policy** for all inpatient and outpatient areas with the following exceptions:

- Emergency Department: at physician's discretion
- Pediatrics: one parent/guardian per patient
- End of Life: one visitor at a time
- Inpatient Discharge: one support person per patient
- Outpatient Clinic/Procedures: one support person per patient
- Clergy on patient request

Visitor Guidelines

- All support person, visitors and vendors will be screened prior to entry
- No visitors will be allowed if they exhibit symptoms of illness such as cough or fever
- Children under the age of 16 are only allowed if needing care
- All support persons and visitors are encouraged to wait in their vehicles if possible during patient procedures, and will be contacted for patient pick-up at time of discharge
